AIRPORT EMERGENCY SERVICE

FIRE PREVENTION CIRCULAR

To Airport Staff/ Partners & Contractors

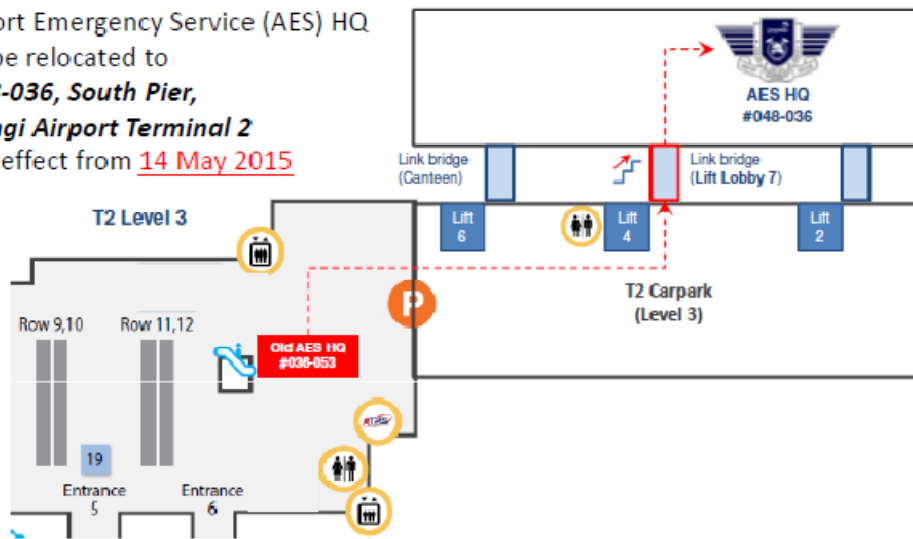

TEMPORARY RELOCATION OF AES HQ OFFICE

As part of the CAG workplace transformation, the current AES HQ office will be undergoing renovation works. Airport Emergency Service (AES) HQ will be relocated to a temporary office with effect from 14 May 2015.

2. The new location is between Meteorological Service Singapore and CAI offices - **#048-036, South Pier, Changi Airport Terminal 2 (refer to Annex A)**.
3. Contractors applying for manual hot work or isolation permits may drop the completed forms into the box at the former office. Outcome of the application will be sent over via fax or email.
4. For urgent approval and consultation, contractors may directly meet AES duty officers at the new office.
5. For further clarifications, you may contact the Airport Emergency Service Fire Prevention Section (AES FPS) at 65412535 or at fire.safety@changiairport.com.
