## AIRPORT EMERGENCY SERVICE

---

# FIRE PREVENTION CIRCULAR

---

To All Airport Staff and Fire Safety Managers

### **AES Fire Safety Walkabout**

Every person in the airport community must play a part towards the elimination of business disruption, such as fire, at Changi Airport. As a result of some fire incidents which occurred at Changi Airport, the AES will be conducting fire safety walkabout within your building premises.

2 The AES will make the necessary arrangements with the respective building Fire Safety Manager (FSM) for the fire safety walkabout. The walkabout will be conducted with the building FSM.

3 The walkabout will cover, but not limited to, the office pantry; staff rest area; kitchen; and prayer rooms.

4 For further clarifications, please contact the AES Fire Prevention Section at 65412535 or email to [fire.safety@changiairport.com](mailto:fire.safety@changiairport.com).
