# FIRE PREVENTION CIRCULAR

---

To All Airport Staff and Fire Safety Managers

**REVISED: LUNAR SEVEN MONTH PRAYERS- FIRE SAFETY PRECAUTIONS**

The Lunar 7<sup>th</sup> Month for 2019 is from 1 to 29 August.

2 We wish to remind those who will perform prayers during the Lunar 7<sup>th</sup> Month of the following fire safety precautions:

- a. Burning of offerings is strictly prohibited inside buildings and the airside;
- b. Burning of offerings at the landside is permitted ONLY from 1 to 29 August 2019;
- c. Burning of offerings at the landside is permitted ONLY at the four designated locations (refer to Annex A & B1-B4 for details);
- d. Burning of offerings must be contained within burning bins; and
- e. Two numbers of portable dry powder fire extinguishers of a minimum rating of 21A must be available at the burning sites (refer to Annex C on how to use an extinguisher)

3 For ad-hoc request for approval for stand-alone burning site, please contact the AES for site assessment.

4 After performing the fire risk assessment, the burning site at Cargo Agent Building D will be closed due to its close proximity to the CAFHI fuel tanks. The new designated burning site for Cargo Agent D (CAB D) will be relocated and combined with Cargo Agent Building E (CAB E) – refer to Annex B - 3.

5 For further clarifications, you may contact the Fire Prevention (FP) of the Airport Emergency Service at 6541 2535 or e-mail to: [fire.safety@changiairport.com](mailto:fire.safety@changiairport.com).
