

This list of Frequently Asked Questions (FAQs) is meant to help with your transition towards the new Changi eProcure (powered by Zycus).

General:

1. Who is Zycus?

Zycus is the vendor that CAG has engaged to host and maintain Changi eProcure, our e-procurement platform for publication of quotations and tenders. All suppliers who are interested to submit a bid for any tender or quotation on Changi eProcure will have to be registered with Zycus as a CAG supplier.

Transition:

2. When will CAG start using the new Changi eProcure (powered by Zycus)?

CAG will be publishing new tenders and quotations through the new Changi eProcure (powered by Zycus) from 2nd April 2018.

During the transition period, you will still be allowed to submit responses for on-going tenders and quotations published prior to 2nd April 2018, as well as receive Purchase Orders via the existing portal (powered by SESAMi).

Registering for Zycus Supplier Network (ZSN) Account:

3. I am a registered supplier with SESAMi, do I need to register again on the new portal powered by Zycus?

Yes, you will need to register again on the new portal.

- For existing suppliers with an ongoing contract with CAG or CAG has made payment to since Sep 2016 till now, you will receive a registration link from system@zycus.com via email.
- For potential suppliers registered with SESAMi, you will receive an email from changieprocure@changiairport.com with a registration link to Zycus Supplier Network (ZSN).

4. When will we receive the registration email for the new Changi eProcure?

Suppliers can expect to receive the email with the registration link by Fri, 30 Mar 2018.

5. What should I do if I did not receive any email for registration 2nd Apr 2018?

Suppliers can drop an email to the CAG procurement team at changieprocure@changiairport.com for assistance.

6. Can I register as a supplier if I did not attend the Supplier workshop?

Yes, you can register via the registration details mentioned in S/N 5. There will not be any registration booth set up for the Supplier workshops. The intent of the Supplier workshops is to provide more detail and walkthrough of the new Changi eProcure.

7. Do I have to pay any license or registration fee to use the new Changi eProcure?

No annual subscription and transaction fee is required for the new Changi eProcure.

- 8. Are there any criteria for a company to be registered on the new Changi eProcure?**
All suppliers are welcomed to register and participate in CAG's tenders and quotations.
- 9. What browser should I use to log in to ZSN?**
ZSN is compatible with Firefox, Chrome, Safari and Internet Explorer (Version 11 and above).
- 10. Is there a limit to the number of accounts we can create for 1 company?**
There is no limit to the number of accounts that can be registered by one Supplier Company.
- 11. Are additional accounts chargeable?**
No charges will be imposed for additional accounts.
- 12. I have registered with SESAMi recently. Will there be any refund on the annual subscription fees?**
Based on the terms & conditions set by SESAMi, there will be no refund for early termination.

Listing of New Events and Submission of Proposal:

- 13. Will CAG still be publishing a listing of new tenders and quotations?**
Yes, new tenders and quotations published from 2nd April 2018 will be listed on CAG's corporate website (<http://www.changiairport.com/corporate/partner-us/procurement.html>).
- 14. Will we receive business alerts for new tenders or quotations based on my related category?**
Currently this is not possible. However, CAG will be working with Zycus on the enhancements to trigger business alerts based on category. For a start, suppliers will need to log in to check on new opportunities.
- 15. Is there a search function for suppliers to search for tenders or quotations listings?**
Yes, suppliers may search for tenders or quotations based on the Event Title.
- 16. Does CAG still follow the same list of product categories?**
In the new Changi eProcure (powered by Zycus), suppliers will see a customised list of product / service categories based on CAG's nature of buy, and you may choose more than one product / service category. You may refer to Annex A of this FAQ for the list of categories.
For any clarifications on the categories, please contact CAG at changieprocure@changiairport.com.
- 17. What is the maximum file size per attachment?**
The maximum file size per attachment is 20MB
- 18. Will suppliers still need to do paper submissions for tenders?**
Some tenders may still require hardcopy submissions, e.g. drawings, mock-ups, samples, etc.

19. Will there be email notification for changes made to published tenders and quotations?

Yes, email notifications will be triggered for changes made to published tenders and quotations. The changed events will also be updated on the opportunities listing available on CAG's corporate website.

Bid Outcome:

20. How will I be notified on the outcome of tenders and quotations?

For tenders and quotations published prior to 2nd April 2018, you will receive the outcome via the existing portal (powered by SESAMi).

For tenders and quotations published from 2nd April 2018, you will be notified via the new portal (powered by Zycus).

21. Will CAG show the bid price of the final winner?

No, CAG will not publish any information on the final winner as this is commercially sensitive information which should not be made public.

Upcoming Features – Contract Management, Procure-to-Pay (including eCatalogue & eInvoicing)

22. When will the new features be available?

The new features will be rolled out in July 2018. More information will be shared at a later date.

23. When can I upload items through the catalogue?

Awarded suppliers can upload contracted items directly in the new portal, subject to CAG's approval. Training will be provided by Zycus at a later date to teach suppliers how to upload their catalogue in the new portal.

24. If my catalogue is already on SESAMi, do I need to upload it again in Zycus?

Yes, you will need to upload it again. The catalogue listing in the existing Changi eProcure (powered by SESAMi) will be available only till July. Training will be provided by Zycus at a later date to teach suppliers how to upload their catalogue in the new portal.

Support and Contact:

25. Who should I contact if I am facing some issues with the new portal?

For technical difficulties, you may either email tech-support@zycus.com or call the toll-free number 800-492-2340 / 001+800-9928-7111 from 2nd April 2018.

Otherwise, you may also contact CAG at changieprocure@changiairport.com.
