

PARK & WORK @ CHANGI AIRPORT – TERMS AND CONDITIONS OF USE

By purchasing the Park & Work eCoupon (as defined below) from Changi Airport Group (Singapore) Pte Ltd (“**CAG**”), you (the “**Customer**”) are deemed to have read, accepted and agreed to be bound by these terms and conditions (as may be amended or modified from time to time) (“**eCoupon T&Cs**”).

1. Park & Work @ Changi Airport

- 1.1 The Customer may purchase from the CarPass portal (“**Portal**”) within the Changi App Park & Work @ Changi eCoupon(s) to enjoy discounted car parking fee at the Designated Park & Work Car Parks (as defined below) (the eCoupon referred to herein as “**Park & Work eCoupon**”). Park & Work eCoupons are issued by CAG and are accepted by CAG when the Customer uses the Park & Work eCoupon in accordance with the eCoupon T&Cs.
- 1.2 The Park & Work eCoupon differs from the Park & Work physical paper coupons that are available for purchase on www.iShopChangi.com (“**Website**”), in terms of the usage mechanics. Park & Work eCoupons cannot be exchanged for Park & Work physical paper coupons. For the avoidance of doubt, this set of eCoupon T&Cs apply to the Park & Work eCoupon, while a different set of terms and conditions (a copy of which can be found on the Website) apply to the Park & Work physical paper coupons.
- 1.3 Park & Work eCoupons can only be used for vehicles with a Singapore-registered In-Vehicle Unit (IU) number. Park & Work eCoupons will be issued in an “inactive” state and credited to a Customer’s Changi Rewards membership account.
- 1.4 The Customer may park his vehicle at any one or more of the following car parks: Car Parks 2A (Terminal 2), 2B (Terminal 2), 3A (Terminal 3), 3B (Terminal 3), 4A (Terminal 4), 4B (Terminal 4) and/or Hub & Spoke car park only (“**Designated Park & Work Car Parks**”). The Customer is responsible for ensuring that he parks his vehicle at one of the Designated Park & Work Car Parks. The Customer may park his vehicle at any normal car park space within any of the Designated Park & Work Car Parks except for reserved spaces (which are painted in red or indicated in text) and designated pick-up & drop-off spaces.
- 1.5 For the avoidance of doubt, “Park & Work” is not available for use at the Terminal 1/Jewel car park, T2 North/South Link, T1 East/West Link, Changi East Project Office car park, car parks at the Changi Airfreight Centre and the coach stands (“**Non-Designated Car Parks**”). Should the Customer park his vehicle at any of the Non-Designated Car Parks, the Park & Work eCoupon will not be accepted for payment upon exiting and the Customer will have to pay parking charges at prevailing standard parking charges of the relevant Non-Designated Car Park. CAG shall not be liable to compensate or refund to the Customer the full parking charges incurred by the Customer and/or the Park & Work eCoupon (or any part thereof).

2. Pricing & Payment Policy

- 2.1 “Park & Work” is available only on a pre-booked basis and Park & Work eCoupons may be purchased only from the Portal. Park & Work eCoupons are not available for purchase over-the-counter nor on the Website. Payment for the Park & Work eCoupons shall be made online through the Portal using the designated payment gateway and any of the specified payment methods, failing which the Customer’s purchase will not be processed. For the avoidance of doubt, payment transactions made pursuant to all payment methods available on the Portal are processed by such third party payment service provider as may be appointed by CAG from time to time, and the processing of payment transaction is subject to the terms of use of such third party payment service provider (where applicable). The Customer further agrees that he is subject to the applicable user agreement of his chosen payment method. CAG reserves the right to modify or vary the availability of payment agents/processors/service provider or payment methods at any time without providing any person any reason or explanation.
- 2.2 Park & Work eCoupons are sold either as a single eCoupon or in a bundle of five (5) eCoupons, or any other permutation as may be offered by CAG from time to time. The price(s) payable for each single eCoupon and each bundle of Park & Work eCoupons shall be as specified at the relevant “Item Description Page” on the Portal in respect of “Park & Work”. It is the responsibility of the Customer to check that he has received the correct quantity of Park & Work eCoupons for every bundle purchased, at the point of his successful Park & Work eCoupon purchase.
- 2.3 (a) Upon the Customer’s successful purchase, the Park & Work eCoupon(s) will be credited to the Customer’s Changi Rewards membership account on an “inactive” basis. **Park & Work eCoupons (whether “inactive” or “activated”) are valid for 90 days from the date of purchase (for example: eCoupons purchased on 1 May 2024 will be valid till 30 July 2024).**
- (b) The Customer must first activate each Park & Work eCoupon on an individual basis (through the Portal in the Changi App) at least 5 minutes in advance, before the Park & Work eCoupon can be used to offset any parking charges incurred at the Designated Park & Work Car Parks. The activated Park & Work eCoupon will be tagged to the IU number registered in the Customer’s Changi Rewards membership account and/or as confirmed by the Customer at the point of activating the Park & Work eCoupon, and it will be utilised towards the parking charges for the vehicle with that IU number upon the vehicle’s next exit from the Designated Park & Work Car Park. Once a Park & Work eCoupon is activated, its status cannot be returned to an “inactive” state. No change may be made to any Park & Work eCoupons once it is purchased (such as extending the validity date of the Park & Work eCoupons purchased), even if the Park & Work eCoupons have not been activated.
- 2.4 If the Customer’s total parking duration at the Designated Park & Work Car Parks exceeds 14 hours (“**Booked Parking Duration**”) for whatever reason(s), the Customer has to pay for the parking

duration in excess of the Booked Parking Duration ("**Excess Parking Duration**") at the prevailing standard parking rate of the relevant Designated Park & Work Car Park. Payment for the Excess Parking Duration shall be made by the Customer directly, via a payment card (i.e. cashcard, FlashPay card or CEPAS enabled card), upon his vehicle's exit from the relevant Designated Park & Work Car Park.

- 2.5 If the Customer's total parking duration at the Designated Park & Work Car Parks is less than the Booked Parking Duration for whatever reason(s) and the Customer uses the Park & Work eCoupon, there shall not be any refund of the un-utilised parking duration / value of the Park & Work eCoupon that is used for his vehicle's exit from the relevant Designated Park & Work Car Park. Such un-utilised parking duration / value also cannot be applied towards future bookings or use, and it shall be forfeited.
- 2.6 The utilisation of a Park & Work eCoupon in conjunction with other parking redemptions, parking privileges, parking rebates, other parking eCoupon(s) and physical coupon shall be in accordance with paragraph 3.4. The Park & Work eCoupon is non-transferable and cannot be transferred from one user to another user, and is not for resale.
- 2.7 No Changi Rewards points will be issued for the purchase of Park & Work eCoupon(s), and spending in respect of the Park & Work eCoupon purchase would also not be taken into consideration as accumulated spend under the Changi Rewards loyalty programme. Changi Rewards points cannot be used to offset the cost of a Park & Work eCoupon (or any part thereof) at the point of purchase on the Portal.
- 2.8 If there is any change to the prevailing parking charges of the Designated Park & Work Car Parks after a Park & Work eCoupon has been purchased, that purchased Park & Work eCoupon can still be used for the Booked Parking Duration provided that the eCoupon is activated after the parking charges have been revised. For example, a 14 hours Park & Work eCoupon that was purchased today can still be used to offset 14 hours of parking at a Designated Park & Work Car Park the next day, when activated after the parking charges are revised the next day.

3. Operations Policy

- 3.1 The issuance and use of the Park & Work eCoupon(s) are as set out at paragraph 2.3 above. Only one (1) Park & Work eCoupon can be activated at any point in time, and can only be used for the vehicle with the in-vehicle unit (IU) number registered in the Customer's Changi Rewards membership account and/or as confirmed by the Customer at the point of activating the Park & Work eCoupon. Multiple Park & Work eCoupons cannot be used simultaneously to off-set parking charges per vehicle exit from the Designated Park & Work Car Park.

- 3.2 Once activated, each Park & Work eCoupon would be tagged to the in-vehicle unit (IU) number registered in the Customer's Changi Rewards membership account and/or as confirmed by the Customer at the point of activating the Park & Work eCoupon. Should there be a need to change the IU number, the Customer can update the IU number through the Portal, regardless if the Park & Work eCoupon has been activated or not. If the Customer updates the IU number through the Portal, the IU number registered in the Customer's Changi Rewards membership account will be updated accordingly with the updated IU number. The updated IU number will apply to the Customer's Park & Fly eCoupons, Park & Work eCoupons, parking privileges and parking rebates provided to Customer under CAG's programmes, as well as future parking redemptions made via the Portal.
- 3.3 The Customer need not remove his payment card (i.e. cashcard, FlashPay card or CEPAS enabled card) from the In-Vehicle Unit (IU) of his vehicle when exiting the Designated Park & Work Car Park even if he is using the Park & Work eCoupon. Each Park & Work eCoupon is valid for a one-time use, and will be utilized at the first available opportunity where there are applicable parking charges that can be offset fully (or part thereof) by the Park & Work eCoupon, in accordance with paragraph 3.4.
- 3.4 Where the Customer has any parking privileges or parking rebates pursuant to any of CAG's programmes that are to be utilised via the Portal (including but not limited to free parking for having met the spend criteria in Terminal 1 and Terminal 3 public areas, or any parking privileges under the Changi Rewards loyalty programme, or any other form of parking benefits accorded under the Portal, and/or redemption of Changi Rewards points for parking rebates), the Park & Work eCoupon shall be applied towards the total parking charges in the following order of priority (with the items on top with higher precedence):-
- (1) Parking rewards redeemed under Changi Airport and Jewel Changi Airport promotions through the Portal, for having met the spend criteria;
 - (2) Parking rewards redeemed under the Changi Rewards loyalty programme, for having met the spend criteria;
 - (3) Parking privileges under the Changi Rewards loyalty programme (for Monarch, Platinum and Gold members);
 - (4) Any other form of parking benefits accorded under the Portal;
 - (5) Park & Work eCoupon (a maximum of one eCoupon can be used per carpark exit);
 - (6) Park & Fly eCoupon (a maximum of one eCoupon can be used per carpark exit);
 - (7) Parking rebates redeemed with Changi Rewards points;
 - (8) Other physical car park coupon (a maximum of one physical coupon may be used).

The above order is subject to changes and the Customer may refer to <https://carpass.changiairport.com/FAQ.html> for the latest update.

- 3.5 For the avoidance of doubt, should a Customer have sufficient parking privileges, rewards or benefits accorded to him under paragraph 3.4(1), 3.4(2), 3.4(3) and/or 3.4(4) that is sufficient to fully offset his total parking charges, the Park & Work eCoupon would not be utilised (even if it has been activated). The Customer will be able to utilize the activated Park & Work eCoupon for his next visit to the Designated Park & Work Car Park, provided the time of exit is within the validity period of the Park & Work eCoupon as stated in paragraph 2.3(a) above.
- 3.6 If the Customer's total parking duration exceeds the Booked Parking Duration for whatever reason(s), the Customer will pay for the Excess Parking Duration in accordance with paragraph 2.4 above. If the Customer fails to activate his Park & Work eCoupon at least 5 minutes prior to his vehicle's exit from the relevant Designated Park & Work Car Park and the full parking charges for the Customer's total parking duration are deducted from his payment card, CAG shall not be liable to compensate or refund to the Customer the full parking charges incurred by the Customer and/or the Park & Work eCoupon (or any part thereof).
- 3.7 Park & Work eCoupons are subject to quota availability and CAG reserves the right to modify the quota or cease to offer Park & Work @ Changi anytime at its discretion without advance notice. Where CAG ceases to offer Park & Work @ Changi, CAG would still honour all Park & Work eCoupons purchased before the date of cessation of Park & Work @ Changi.
- 3.8 The Customer must ensure the security of his Changi App user account (i.e. Changi Account), as no replacement or refund will be made for Park & Work eCoupons that are un-retrievable or mis-used due to the Customer's failure to secure his Changi App user account (i.e. Changi Account). No replacement, extensions, or refund will be made for expired Park & Work eCoupons.

4. Change, Cancellation and Refund Policy

- 4.1 Please see paragraph 2.3 for the validity period of the Park & Work eCoupons. No changes may be made to any Park & Work eCoupon or Park & Work eCoupon bundle once it is purchased (such as extending the validity date of all, or a portion of the Park & Work eCoupons purchased within the bundle).
- 4.2 A cancellation of the Customer's order, with a cancellation fee of S\$5 (payable by the Customer), would only be allowed provided that the single Park & Work eCoupon or all Park & Work eCoupons within the entire bundle purchased, have neither been activated nor redeemed. CAG will not cancel the Customer's order, nor provide any refund, once any Park & Work eCoupon within the bundle purchased has been activated and/or redeemed.
- 4.3 The net refund amount, after deduction of the cancellation fee, would be refunded to the Customer in the same currency and via the same payment mode that was used when the Park & Work eCoupons were purchased. No refunds shall be made in cash and CAG shall not be liable to the Customer for any out-of-pocket costs incurred by the Customer relating to or in connection

Any refunds of cancelled Park & Work eCoupon may take up to 6 weeks from the date of cancellation to be processed. Should the Customer wish to enquire about the status of his cancellation or refund request, he may email parkandwork@changiairport.com with the relevant booking confirmation reference.

- 4.4 CAG reserves the right to modify the cancellation fees charged under the eCoupon T&Cs at its sole discretion from time to time. The revised cancellation fees (including the updated eCoupon T&Cs) shall be posted on the Portal and shall take effect on the date of such posting, superseding the earlier version of the eCoupon T&Cs, and shall apply to all Park & Work eCoupons (whether issued or otherwise). The Customer agrees that the revised cancellation fees shall apply with effect from and including the date such revised cancellation fees is posted notwithstanding that the Customer may have purchased the Park & Work eCoupon before such date.
- 4.5 If the Customer's Park & Work eCoupon was cancelled by CAG for a reason within CAG's direct control and not due to an event beyond CAG's control, CAG will refund to the Customer the pro-rated value of the cancelled Park & Work eCoupon(s), based on the applicable purchase single or bundle eCoupon price.
- 4.6 All Park & Work eCoupons are non-transferable to other persons, and non-exchangeable for cash or credit or benefit-in-kind. CAG reserves the right to void any unutilised Park & Work eCoupons if any Park & Work eCoupons purchased had been shared and/or used by two (2) or more different persons.
