SHOPPING SPREE

Indulge in a wide array of retail and experiences right here at Terminal 2!

MCM

For Spring/Summer 2020, MCM is one with the sound. Global Creative Officer Dirk Schoenberger, in his first collection, synthesizes the styles, looks, textures, moods, and attitudes of Munich's disco heyday with those of Berlin's contemporary clubland. Designed with balance and subtlety, the resulting looks evoke modernity rather than nostalgia.

Converse

It's sunflower season. Made for the detail-obsessed, Chuck 70 is a modern ode to the Chuck Taylor All Star, with premium materials for style and comfort.

Ray-Ban

Ray-Ban recognised as one of the leading brands of sunglasses and prescription eyewear, best known for its line of Wayfarer and Aviator sunglasses. By constantly experimenting with materials, designs and innovative technologies, Ray-Ban developed high-performing lenses such as the colour-enhancing Chromance. Representing decades of authenticity and style, the iconic Ray-Ban sunglasses are arguably one of the best-selling type sunglasses worldwide.

OSC (Old Seng Choong)

Established in 1965, OSC cookies encapsulate the essence of Singapore's diverse culture and colonial past. Our cookies inspired by Asian flavours such as pandan coconut and cereal prawn are truly representative of Singapore's delicacies. OSC also offers a wide range of delectable snacks such as pineapple tarts, chocolates, chiffon cakes and festive goodies for every momentous occasion and celebration.
