UNIQUE ATTRACTIONS

Be mesmerised by the unique cultural and architectural features of T4!

Heritage Zone

Transit Hall

Catch the 2 musical sets of Peranakan Love Story and Nanyang Blossom, played at every 15 minutes interval.

Petalclouds

Transit Hall / Public Area

This large-scale kinetic sculpture consists of 6 structures suspended 200m above T4's Central Galleria. Its movement is synchronised to animated lighting and music, designed to enthrall passengers and visitors.

Steel in Bloom

Transit Hall

The garden's 6-metres high centrepiece features intricate botanical motifs modelled in steel. This structure is juxtaposed with plants that have inspired its design, creating a sense of contrast in harmony.

Singapore Rojak

Public Area

Singapore Rojak is a 37m long mural featuring a nostalgic street lined with stalls selling mouth-watering local delicacies and festive goods. The collection of multiracial elements highlights the unique spirit and eclectic flavour of Singapore's culture, hence the apt title.
