### Discovery Garden **T1** Transit Hall, Level 2 24 Hours

One of the many insta-worthy spots in Changi Airport, the Discovery Garden features tree-like sculptures clad in verdant and diverse foliage. Travellers can stroll along the raised walkways to get up close with nature from various vantage points.

### Orchid Garden **T2** Transit Hall, Level 2 24 Hours

The Orchid Garden features more than 700 orchids from 30 varieties meticulously arranged according to their various colours and shapes, representing the four elements of nature — Earth, Air, Fire and Water.

White orchids displayed with floating glass bubbles emulate the lightness of 'Air', while rare brown and green orchids among the tree root sculptures represent 'Earth'. Floral columns simulating giant candles reflect 'Fire', and clustered blue and violet orchids symbolise 'Water'.

### Crystal Garden **T3** Transit Hall, Level 2 24 Hours

The Crystal Garden reflects the integration of nature into the Central Piazza of Terminal 3. It presents travellers with an interesting juxtaposition of poetic calm and a burst of colour and activity.

The main attraction consists of 12 spheres of artisan dandelion glass sculptures in various sizes, comprising 1,735 Bohemian glass components — all hand-blown with different finishes. Surrounding them are tiered garden beds of flowering plants.

The 'seeds' of the dandelions 'dispersing' across the Crystal Garden represent passengers on their onward journeys, spreading out to different corners of the world.
