

Changi Airport Sensory Map

Terminal 1

To prepare for your visit to Changi Airport, we've partnered Rainbow Centre, a social service agency in Singapore, to create the Changi Airport Sensory Map. The map is designed to help you plan your visit and navigate through our terminals by identifying quieter rest areas, accessible facilities and services, as well as attractions for you and your loved ones to enjoy before your flight or when you arrive at Changi.

Public Transit → Flow Direction

Quieter Rest Areas
Seating areas that are generally quieter, with fewer people and sensory inputs

Attractions
Beautiful spaces and creations to enjoy while waiting for your flight

Care@Changi Facilities
Facilities and services to make your experience more comfortable

Escalator

Toilet

Lift

Information counter

Accessible toilet

Accessible Changing Room

Family Toilet

Baby Care Room

Clinic

Our airport has plenty of beautiful spaces that you and your loved ones can enjoy while waiting for your flight. To help you select the attractions you may want to visit, we have provided information on their light, sound or smell stimuli below.

Arrival Garden

PUBLIC

Level 1, Arrival

The specially curated flora collection emulates a dragonfly habitat, while the garden's feature pool showcases ripples and patterns as though dragonflies are dancing on them.

Kinetic Rain

PUBLIC

Level 2, Departure

With 1,216 'raindrops' working together in harmony, Kinetic Rain symbolises the members of the airport community collaborating to provide a Positively Surprising Changi experience for passengers and visitors.

Discovery Garden

TRANSIT

Level 2, Departure, near D gates

This garden features tree-like sculptures clad in verdant and diverse foliage. Travellers can stroll along the raised walkways to get up close with nature from various vantage points.

Piazza Garden

TRANSIT

Level 2, Departure

The Piazza Garden features seasonal and thematic plant displays throughout the year, celebrating Singapore's various cultural and ethnic festivals with culturally significant flora.

Water Lily Garden

TRANSIT

Level 2, Departure, near C gates

The garden features water lilies in their natural aquatic environment with garden shelters designed in the undulating shape of the water lily leaf.

Playground

PUBLIC

Level 3, Departure

It's fun times ahead for children aged 1 to 12. Indoors and away from the heat, our air-conditioned playgrounds let your little ones play and make new friends in comfort.

Cactus Garden

TRANSIT

Level 3, Departure, near C gates

At this rooftop garden, you can enjoy the fine views of more than 100 species of cacti and arid plants from the deserts and dry areas of Asia, Africa and America.
