

Changi Airport Sensory Map

Terminal 2

To prepare for your visit to Changi Airport, we've partnered Rainbow Centre, a social service agency in Singapore, to create the Changi Airport Sensory Map. The map is designed to help you plan your visit and navigate through our terminals by identifying quieter rest areas, accessible facilities and services, as well as attractions for you and your loved ones to enjoy before your flight or when you arrive at Changi.

Public Transit → Flow Direction

Quieter Rest Areas
Seating areas that are generally quieter, with fewer people and sensory inputs

Attractions
Beautiful spaces and creations to enjoy while waiting for your flight

Care@Changi Facilities
Facilities and services to make your experience more comfortable

Escalator

Toilet

Lift

Information counter

Accessible toilet

Accessible Changing Room

Family Toilet

Baby Care Room

Clinic

Here are some general rest areas with seating that tend to be away from crowds and noise.

Our airport has plenty of beautiful spaces that you and your loved ones can enjoy while waiting for your flight. To help you select the attractions you may want to visit, we have provided information on their light, sound or smell stimuli below.

The Wonderfall

PUBLIC

Level 2, Departure

This digital waterfall cascades among lush green walls to create a mesmerising, calming spectacle. Enjoy a 4-minute-long musical show, called Rhythms Of Nature, every 30 minutes.

Light

Sound

Dreamscape

TRANSIT

Level 2, Departure, near F gates

An immersive indoor garden housing 20,000 plants from 100 species, a pond with colourful fish, and an ever-changing digital sky that mimics real-time weather conditions.

Calm Room

at Changi Airport Terminal 2 (Transit)

Travel can be overwhelming, especially for neurodivergent travellers. The Calm Room offers a soothing, safe environment where travellers can take a moment to regulate, recharge and prepare for their journey. Please be mindful that the Calm Room is a shared facility. We kindly ask all users to be respectful and considerate, and to offer space when someone may need it more.

Map and sensory information

🕒 Opening hours: 24 hours daily.
The Biophilic Windows are shut down daily from 2 AM - 5 AM.

📍 Location: T2 Transit, opposite Transfer F

Key features in the Calm Room

Welcome Area

- Cubby holes for storing large luggage, prams and shoes for a hands-free experience.
- Information about the Calm Room and accessibility at Changi Airport.

The Forest

- 'Biophilic Windows' that offer a glimpse into Singapore's natural landscape and draw upon the soothing characteristics of biophilia.
- Seats of various scales for different rest positions and age groups.
- Dividers to create a sense of privacy.
- Floor cushions to engage vestibular senses while resting.

The Den

- Spaces with soft padding ranging from open to enclosed settings.
- Seats of various heights for different age groups.
- Gentle level changes and pebble-shaped cushions for vestibular engagement.

The Nest

- Acoustically-dampened walls and doors.
- Softly padded enclave for rest and calming down.
- Diffused, colour-tunable lights that can be adjusted to suit one's needs.
